

## Idaho Chapter of the American Fisheries Society Idaho Undergraduate Student Scholarship - Overview -

### American Fisheries Society Mission Statement

*The mission of the American Fisheries Society is to improve the conservation and sustainability of fishery resources and aquatic ecosystems by advancing fisheries and aquatic science and promoting the development of fisheries professionals.*

### American Fisheries Society Objectives

1. *Promote the conservation, development and wise use of the fisheries;*
2. *Promote and evaluate the development and advancement of all branches of fisheries science and practice;*
3. *Gather and disseminate to society members and the general public scientific, technical and other information about fisheries science and practice through publications, meetings, and other forms of communication;*
4. *Encourage the teaching of fisheries science and practice in colleges and universities and the continuing professional development of fisheries workers.*

**Scholarship Overview:** The Idaho Undergraduate Student Scholarship was established by the Idaho Chapter of the American Fisheries Society in 2005. The purpose of the scholarship is to assist with college education costs of undergraduate students whose professional goals support the mission and objectives of the American Fisheries Society.

**Eligibility:** Applicants must meet the following criteria:

1. Be a undergraduate student enrolled at any Idaho college or university the next academic year
2. Have a GPA of at least 3.0
3. Have career goals that advance the mission and objectives of the American Fisheries Society

**Amount:** \$500

**Selection Criteria** (not in order of relevance):

1. Academic record
2. Career goals
3. GPA
4. Letter of recommendation from a biology professor, faculty advisor, administrator or employer
5. Relevant experiences that enhance the student as a professional

**Application Process:** Complete an application package which consists of the following items:

1. A completed application form and resume (available at: <http://www.idahoafs.org/>)
2. A statement of your career goals (300 words or less)
3. A letter of recommendation from a from a biology professor, faculty advisor, or administrator
4. A copy of your college transcripts

All application materials must be sent together in one application package. Submit the application package to:

Lauri Monnot  
Education Committee Chair  
DEQ  
1445 North Orchard  
Boise, ID 83706

**Application Deadline:** January 15, 2010

**Notification:** The winners will be announced during the business luncheon at the annual meeting of the Idaho Chapter of the American Fisheries Society in 2010. Winners will also be notified directly by March 31st.
