<sup>1</sup> Prior to 2007, officers were elected in the spring but did not begin serving until the fall. Beginning in 2007, officers began serving immediately after the annual meeting in which they were elected.

<sup>2</sup> Prior to 2006, the secretary-treasurer position was a combined position in which the elected officer served for one year. Beginning in 2006, this position was split into two separate positions with the elected individual serving one year as secretary and one year as treasurer.

<sup>3</sup> This position was vacated during the term and filled by the person shown in parentheses.

<sup>4</sup> Although the record is not clear, it appears that this position was vacated during the term filled by the person listed.
